Monday 4th January 2021

Dear Parents

I can only apologise for the late notice but following the Government's announcement this evening I have the following information to share with you.

I have been advised by Uffculme Academy Trust that on account of the late timing of tonight's decision to move immediately to remote learning for all pupils but Key Worker and Vulnerable children, we should close completely to all children for one day tomorrow. This is to allow staff to plan and timetable the provision for Key Worker and Vulnerable children which will start on Wednesday 6th January.

Our Pre School will be open to all as usual tomorrow and moving forward as it is an Early Years setting.

I totally understand how frustrating this last minute announcement must be for you in terms of childcare. However, The Trust believe it is the best decision for both of its Primary Schools to enable adequate time to organise and staff the settings to re-open on Wednesday 6th January to Key Worker and Vulnerable children only. This allows us to ensure that all of our risk assessments and safeguarding arrangements are fully in place and appropriate spaces and resources are identified.

Learning tomorrow for all children Year 1 to year 6 will be remote and set on Google Classroom.

Learning tomorrow for our Reception children will be set on Tapestry.

Class teachers will be available to support via the class mailboxes.

Please use the following link to book a place at the Key Worker and Vulnerable on site provision which will open on Wednesday 6th January 2021 and be the only on site provision until at least half term in line with the Government's announcement. In order to minimise the number of adults on site at any time, and to meet the Government requirements to work from home if you possibly can, I would respectfully request that you only book a KWV place if you absolutely need to.
